

Catherine Hill Bay, 30 August, 2009

Firstly I must apologise for the delay in processing this run report.

We met at Mt Colah Maccas at 8:45am for a 9:30am departure and discovered we only had a small attendance, perhaps partially due to pushing this run back a week to allow members to attend the EH car show at Silverwater. We left at the designated time off 9:30am with a group of four Toranas, a WRX and Audi for the run to The Entrance.

Upon exiting the expressway at Wyong we proceeded along Wyong Road to the coast. I was alright as I had power steering however the Torana drivers had to contend with a record breaking number of roundabouts. This council obviously thinks they are the answer to traffic control.

Just before the Entrance we turned right and went down and along the road that runs beside the inlet with views of the beach and ocean. Upon leaving The Entrance we proceeded to Budgewoi (Meeting of the waters) for a stop beside the water near a bridge. At this point the wind had a distinct chill factor so coats were worn.

Bob led the group out to Doyalson and up to Catherine Hill Bay for Lunch.

Bob reported that the food was its usual good quality and everyone enjoyed lunch.

After lunch goodbies were exchanged and everyone left for home.

Hopefully a good day was enjoyed by those attending:

- Bob Byrnes.
- Les Wilson and Elizabeth.
- Michael Muller.
- Joe Moeller.
- Scott and Leanne Davidson.
- Larry Sullivan.

Apologies:

- Lance Haslewood.
- Greg & Lexa Hawkins.
- Rob Shaw.
- Tthe Farnsworths. Due to the high winds the night before, Rob was called to work.

Larry (Next run – Toranafest, 19 September 2009.)
